WINDSOR CASTLE PARK

Parks and Recreation Activity Report for April 2023

Park Projects, Programming, Special Events

April

Luter Sports Complex	Pony Softball World Series Tournament has been scheduled at LSC for the weekend of June 24, 2023. This tournament will bring lots of visitors to Smithfield. We will work closely with tourism to get the word out to all of our local merchants to be ready for these hungry (<i>Restaurants</i>), tired (<i>Hotels</i>) and ready to shop (<i>Local Merchants</i>) visitors.
Luter Sports Complex	The Farmers Bank logo was removed from the Field 1 Building at LSC and in its place is now the Towne Bank name and logo on 2 sides of the building, where it was on 3 sides. The front side of the building will soon display the Smithfield Parks and Rec Logo as well as the building name "Field 1 Building". The new football concession building will be named "Field 6 Building".
Downtown Smithfield	We have been in discussions with the National Fitness Court folks which you will hear more about at May Committees. These fitness courts are outdoor exercise centers with fixed equipment that people at all levels of fitness can use. The requirement for the court is that it is placed in a heavy pedestrian traffic area such as a downtown area or along a walking trail. Determining the most suitable area is the next step.
Windsor Castle Park	The stormwater capture project, that Henry McBurney spearheaded, is complete with signage outside of the (old) kayak rental building. This stormwater capture provides water for the NAACP community garden, which is adjacent to this area. This project will serve as great outdoor education for folks that would like to try rainwater capture on their own property. Also, we hosted a Rain Barrell Workshop by the James River Association at Windsor Castle Park on April 8th.
Special Events (Open to the Public)	We hosted several special events this month-the YMCA Triathlon which uses downtown streets for the bike portion and at Windsor Castle Park we had the Wine Festival, the Lewis and Clark Circus and the Tour De Cure Bike Event.
